

COALITION OF LABOR UNIONS AT BOEING SUPPORT WORKER PRIVACY ACT!

March 3, 2009

The Coalition of Labor Unions at Boeing (CLUB) is writing this letter to support the Worker Privacy Act SB 5446 and HB 1528.

The coalition is made up of approximately 50,000 employees from SPFPA Local 5, IAM District 751, Teamsters Local 174, IUOE Local 286, IAFF Local 66 and SPEEA-IFPTE 2001.

This important legislation will allow employees to be able to choose whether or not to participate in employer communication regarding religion, unionization, charitable giving, and politics.

This legislation is about protecting worker's rights regarding employer communication. There is a \$0.00 fiscal note attached to this bill.

We stand resolute with the proponents of this legislation, because no one should be put in a position of having to choose between their beliefs and employment regarding issues of personal conscience.

If you have any questions about our position on this issue, please do not hesitate to contact any of our unions.

Thank you for taking our comments into consideration.

Sincerely,

IAFF Local 66

IAM District 751

SPFPA Local 5

SPEEA-IFPTE 2001

IUOE Local 286
