

Wal-Mart's Health Plan: They Profit, We Pay

Rally and March for Health Care:

Wednesday, April 26

Begins 4 pm at Renton City Hall

Join your voice with hundreds of others to send a strong message: it's time to take on the Wal-Mart health care crisis.

775,000

Wal-Mart employees receive no health benefits from the company—that's 57% of their workforce.

Rally at Renton City Hall, 1055 S. Grady Way.

Come with surgical masks or stethoscopes, wear your scrubs if you work in health care, or bring along other props.

\$1.37 billion

in Wal-Mart health care costs were shifted from the company to taxpayers in 2005.

March down the street to the Renton Wal-Mart.

46%

of the children of Wal-Mart employees are uninsured or receive health coverage through taxpayer-funded plans.

Parking is limited, so if possible, please park at the Park & Ride three blocks west on Grady Way. Renton City Hall is on or near the routes of the #101, #148, #153, #167, #240, and #280 buses.

This event is part of part of the Change to Win "Make Work Pay" campaign. For more information, contact UFCW Local 21 Organizer Sarah Bright at 425-653-6506.
