

It's Time For Congress To STOP Wasting Money

Defund NSPS

Tens of thousands of civilian defense employees have voiced their outrage over the National Security Personnel System (NSPS). DoD employees believe it is arbitrary, unfair, demoralizing, encourages cronyism and insults their patriotism. Their verdict is shared by the District Court of the District of Columbia which blocked the labor relations and employee appeals portions of NSPS, ruling that NSPS is “the antithesis of fair treatment” and that DoD tried to “eviscerate” the rights of their employees.

Congress gave DoD the authority to develop a new personnel system but not at the expense of its workforce. Now it's time for Congress to put an end to DoD's blatant disregard for the law and fairness. We, the undersigned, strongly urge you to support an amendment to block funding for NSPS that will be offered by Representative Jay Inslee (D-WA) to the Defense Appropriations bill when it is considered by the full House. DoD employees have spoken. The Courts have spoken. Now it's time for Congress to act by defunding NSPS!
