

The Longview-Kelso Building and Construction Trades Council invites you to join us for a

GOOD JOBS NOW!

RALLY

**Friday, June 11
in Longview**

2 to 4 p.m. at Lake Sacajawea (Louisiana & Kessler)

Working families in S.W. Washington know there is no such thing as a “jobless recovery” from the Great Recession. The restoration of quality jobs is what will signal an end to this recession, not the return of corporate profits or stock market gains.

Thousands of people in Cowlitz County are looking for work and can't find it today. Sustained double-digit unemployment continues to plague our community, and we feel **MORE CAN – AND MUST – BE DONE to employ local workers in local jobs.**

Please join the Longview-Kelso Building and Construction Trades Council at this “Good Jobs Now” Rally on June 11 in Longview. This event is endorsed by the Cowlitz-Wahkiakum Central Labor Council.

For more information, contact the Longview-Kelso BCTC at 360-577-0535.
