

DIME PAC

Stand with candidates
who stand with working families

DIME PAC is labor's political action committee in Washington State. Its mission is to **recruit and elect champions of Washington's working families.** THAT'S how we will defend against attacks on workers' rights and it's how we will put government's focus on **creating and maintaining good jobs.**

YES! I'll contribute at least a DIME A DAY to elect champions for working families!
