

# BETH DOGLIO

**SHE'LL PUT WORKING PEOPLE FIRST.**

As a State Representative, Beth Doglio has earned perfect 100% voting record on working families' issues. Now she is running for U.S. Representative to be a champion for workers in Congress. She will work for:

**HIGHER WAGES AND EXPANDED FAMILY LEAVE** — As a legislator, Beth has supported Washington's higher minimum wage, voted to strengthen prevailing wage standards, and fought for our ground-breaking Paid Family and Medical Leave. In Congress, she wants to support those policies for all Americans.

**UNIVERSAL, AFFORDABLE HEALTH CARE** — Beth believes health care is a human right. She supports Medicare for All to ensure universal coverage and will fight to lower prescription drug costs.

**FREEDOM TO UNIONIZE** — In Olympia, Beth has been a champion for protecting and expanding the right to join together in unions. In Washington, D.C., she will do the same for all working people in this country.

That's why Your Union supports

**BETH DOGLIO** for U.S. Representative
