## Preamble

The establishment of this state central body as a subordinate unit of the American Federation of Labor and Congress of Industrial

Organizations is an expression of the desire of the unions in Washington State to participate fully in the achievement of the objectives of the AFL-CIO as it seeks to fulfill the hopes and aspirations of the working people of all America.

We seek the fulfillment of these hopes and aspirations through democratic processes within the framework of our constitutional government and consistent with our institutions and traditions.

At the collective bargaining table, in the community, in the exercise of the rights and responsibilities of citizenship, we shall responsibly serve the interests of all the American people.

We pledge ourselves to the more effective organization of working people; to securing full recognition and enjoyment of the rights to which they are justly entitled; to the achievement of ever higher standards of living and working conditions; to the attainment of security for all the people; to the enjoyment of the leisure which their skills make possible; and to the strengthening and extension of our way of life and the fundamental freedoms which are the basis of our democratic society.

We shall combat resolutely the forces that seek to undermine the democratic institutions of our nation and to enslave the human soul.

We shall strive always to win full respect for the dignity of the human individual whom our unions serve.

We recognize that the fates of all workers, Black, Brown, Indigenous, Asian, or White, are interconnected and that we either rise together or fail. We will win when all workers are recognized and empowered. By acknowledging that economic justice and racial justice are inextricably linked, we commit to sharing the responsibility for racial justice and equity and actively work together to achieve the transformation we aspire in our unions and workplaces and in the community.

Grateful for the fine traditions of our past, confident of meeting the challenge of the future, we proclaim this constitution.

# I Name and affiliation

This body is known as the Washington State Labor Council, AFL-CIO. It will maintain affiliation with the American Federation of Labor and Congress of Industrial Organizations in accordance with the laws of that organization. As a chartered organization of the AFL-CIO, this body will conform its activities to the policies of the AFL-CIO on national affairs.

## 2 Purposes and declaration of principle

2.1 **Purposes.** The purposes of the Washington State Labor Council, AFL-CIO are:

- a) to establish better relations among local unions in the state of Washington;
- b) to encourage harmonious action in matters affecting the welfare of our labor movement;
- c) to propose, support, and promote legislation favorable to and to oppose legislation detrimental to the interest of workers and organized labor;
- d) to promote and distribute labor literature and aid and to encourage a more complete labor press;
- e) to promote and agitate for the union label, shop card, and services;
- f) to better prepare ourselves to combat the enemies of organized labor;
- g) to assist local unions in organization and contract negotiations, whenever asked, and to have information and statistics available for all affiliated bodies to aid them in their problems;
- h) to encourage workers to register and vote, to exercise their full rights and responsibilities of citizenship, and to perform their rightful part in the political life of the local, state, and national communities;
- i) to encourage and assist in the formation of local central bodies within the state;
- j) to bring into affiliation with the Washington State Labor Council all who are eligible, to the end that the council shall become a powerful force to speak and act in defense and promotion of the whole body of laboring people of our state;
- k) to give recognition to the principle that both craft and industrial nations are appropriate, equal, and necessary as methods of union organization; and
- l) to fight to end structural and anti-Black racism as part of our work to build a wider movement that will fight for an economy that works for everyone—including supporting people who are joining together to raise wages and

improve workplace standards, fix our broken immigration system, to advance women’s rights, LGBTQ equality, and to ensure that every community has clean air and water.

## 7 Nominations and elections

7.1 **General.** The president, secretary-treasurer, and region vice presidents are elected in even-numbered years that are not evenly divisible by four. The president and secretary-treasurer are elected by majority vote except during a run-off vote. The region vice presidents are elected by plurality vote.

7.2 **Election board.** An election board of five members and five alternates will be elected by ballot at the regular convention during an election year. There must be at least five candidates and should be at least ten. Delegates must vote for exactly five candidates; ballots that have votes for fewer or more than five candidates are invalid. To be eligible for election to the election board, an individual must be a candidate; write-in votes are not permitted.

The five candidates who receive the most votes are elected as members of the election board. The five candidates who receive the next highest number of votes are elected as alternates in the order of the number of votes received, with the alternate receiving the most votes having the highest rank. If more than one candidate receives the same number of votes for either the fifth position on the election board or any position as alternate, balloting will be repeated to break the ties.

- 7.3 **Notice of election for election board.** Notice that an election board is to be elected must be sent to all affiliates prior to the convention.
- 7.4 **Election board qualifications.** No officer or candidate for office may be a member or alternate of the election board.
- 7.5 **Term of election board.** Members and alternates of the election board will serve a term of four years, and their term of office begins at the close of the convention at which they are elected.
- 7.6 **Election board vacancies.** If there is a vacancy in the membership of the election board, the highest-ranking alternate will automatically become a member.
- 7.7 **Qualifications.** A candidate for office must be a member in good standing of an affiliated local union. No one may be a candidate whose affiliated local union pays less than full per capita tax for any reason other than strike dispensation.
- 7.8 **Nominations.** Nominations for president, secretary-treasurer, and the region vice presidents will be by petition of the affiliated local unions that have paid per capita tax for the month of March on or before July 1.
- 7.9 **Nominations for president and secretary-treasurer.** A candidate for the office of president or secretary-treasurer must be nominated by 10 or more local unions.
- 7.10 **Nominations for region vice president.** A candidate for the office of region vice president must be nominated by five or more local unions within that region. A local union may nominate a region vice president only for the regions in which its members are employed.
- 7.11 **Nominating process.** On or before August 1 of each election year, the secretary-treasurer will prepare nomination forms and send them to the affiliated local unions. The appropriate officer of the local union will enter the names of those nominated in the appropriate places. The form must be signed by the appropriate local union officer and returned to the secretary-treasurer on or before September 15 or postmarked on or before September 15 if returned by first-class postal mail.
- 7.12 **Notice of nomination.** On or before September 25 of the election year, the secretary-treasurer must notify each nominee for office who has received sufficient nominations.
- 7.13 **Candidacy.** A nominee becomes a candidate when the nomination is accepted. The nomination must be accepted in writing and must be delivered to the secretary-treasurer by October 10 or postmarked by

October 10 if sent by first-class postal mail.

- 7.14 **Uncontested election.** If there are no more qualified candidates than there are officers to elect for any office, the election board will declare the candidates elected.
- 7.15 **Election by mail.** The president, secretary-treasurer, and region vice presidents are elected by mail ballot.
- 7.16 **Election of region vice presidents.** The region vice presidents are elected by the affiliated local unions within their respective regions. The election ballot used in each region will show only the candidates for that region.
- 7.17 **Voting eligibility.** A local union may vote in the officer election if it has paid per capita tax for the month of May on or before September 1. A joint board, district council, state association, or similar subordinate organization may vote in the officer election if it has paid the affiliation fee on or before September 1.
- 7.18 **Number of votes for locals.** Each local union is entitled to a number of votes as follows. The base period is the most recently completed two fiscal years.
- a) For local unions that are affiliated during the entire base period: the average monthly number of members for whom per capita tax is paid during the base period.
  - b) For local unions that re-affiliated or are newly affiliated after the beginning of the base period: the total number of members for whom per capita tax is paid since affiliation or re-affiliation divided by the number of months of affiliation.
- 7.19 **Locals in multiple regions.** A local union that has members in more than one region may allocate its votes to the several regions. This allocation must be made in writing on or before June 30 of the election year and must be directly proportional to the number of members employed in each region.
- 7.20 **Number of votes for other affiliates.** A joint board, district council, state association, or similar subordinate organization has three votes.
- 7.21 **Election ballots.** On or before October 20 of the election year, the secretary-treasurer will prepare and mail an official ballot to all affiliates entitled to vote in the election. A return preaddressed envelope must accompany each ballot. The envelope must be marked "*Attention: Election Board.*" Each ballot must identify the affiliate to which it is sent and show the number of votes the affiliate is entitled to cast. Each section of the ballot must identify the office and list the names and union membership of each candidate.
- 7.22 **Affiliate voting.** Each affiliate will determine the time, place, and method of casting its ballot.
- 7.23 **Marking the ballot.** An affiliate may cast all of the votes to which it is entitled by marking "X" or "✓" in the proper space in each section of the ballot. An affiliate wishing to split its votes must enter the

number of votes in the proper spaces. If an affiliate wishes to split its votes for region vice president, it may not cast more than the number of votes calculated in **7.18** for a single candidate and it may not cast more than the number of votes calculated in **7.18** multiplied by the number of vice presidents to be elected in that region. The ballot must be signed by an officer of the affiliate.

- 7.24 **Write-ins prohibited.** In any election for officers, only a candidate is eligible to be elected; write-in votes are not permitted.
- 7.25 **Method of returning ballots.** The ballot may be returned by one of the following methods:
- a) first-class mail via the United States Postal Service
  - b) delivering personally
  - c) facsimile
  - d) scanning and emailing
- 7.26 **Deadline for ballots.** If the ballot is returned by first-class postal mail, it must be postmarked on or before the first Monday in December and must be received at council headquarters no later than noon on the following Thursday. A ballot returned using a different method must be received at council headquarters no later than 5:00 p.m. on the first Monday in December.
- 7.27 **Receipt of ballots.** When a ballot arrives at council headquarters, a record will be made of its receipt. If it was returned by email, it will be printed on paper. It will then be deposited in a locked ballot box, and it becomes the property of the election board in the custody of the secretary-treasurer.
- 7.28 **Ballot counting time and place.** The election board will meet at council headquarters at noon on the Thursday following the first Monday in December. The secretary-treasurer must notify the members of the election board of the specific day they will meet.
- 7.29 **Illegal ballots.** The election board will not tabulate any votes of an affiliate which has not signed the ballot as required by **7.23** or has not met the deadline described in **7.26**. The election board will not tabulate the votes for a particular office if the affiliate has cast more votes than is allowed for that office or an individual candidate for that office, as described in **7.23**.
- 7.30 **Protest of voting.** A protest in connection with the votes of any local union must be filed with the election board on or before the first Monday in December by at least two members in good standing from that local union. Representatives of those protesting may be present during the consideration of the protest. The election board is the sole judge of any protest.
- 7.31 **Election results.** Within 10 days after the election board completes and attests to the results, the secretary-treasurer will transmit the results to all affiliated organizations. The results will be in tabulated form and will include the vote cast by each affiliate.
- 7.32 **Objection to tabulation.** A local union may object to the tabulation

of the vote. The objection must be received by the secretary-treasurer within 30 days after the tabulation is sent to the affiliates. The executive board must hold a hearing on an objection within 30 days after the objection is received by the secretary-treasurer. A majority vote is necessary for a decision. The decision of the executive board is final, except that it may be appealed to the next regular convention or special convention called for that purpose.

- 7.33 **No candidate receives majority.** If no candidate for president or secretary-treasurer receives a majority of the votes cast for that office, a run-off vote will be conducted. If more than one candidate received the highest number of votes, the ballot will list only those candidates. Otherwise, the ballot will list the names of the candidates who received the two highest numbers of votes on the first ballot. Only a candidate listed on the ballot is eligible for election. In the run-off vote, the candidate receiving the highest number of votes is elected.
- 7.34 **Tie for vice president.** If more than one candidate receives the same number of votes for the last position for regional vice president, a run-off vote will be conducted. The ballot will list the names of the candidates who received the same number of votes on the first ballot. Only a candidate listed on the ballot is eligible for election.
- 7.35 **Run-off ballot deadlines.** An official ballot for the run-off vote must be mailed to each affiliate on or before the third Monday in December. If the run-off ballot is returned by first-class postal mail, it must be postmarked on or before the first Monday in February and must be received at council headquarters no later than noon on the following Thursday. A run-off ballot returned using a different method must be received at council headquarters no later than 5:00 p.m. on the first Monday in February.
- 7.36 **Run-off counting time and place.** The election board will meet at council headquarters at noon on the Thursday following the first Monday in February to count the run-off ballots. The secretary-treasurer must notify the members of the election board of the specific day they will meet. The successful candidate will take office immediately after the election board completes and attests to the results.
- 7.37 **Observers.** A candidate for office or the candidate's designee may observe the counting of the ballots.
- 7.38 **Ballot retention.** The ballots and tally sheets must be retained and available for inspection by representatives of affiliates for six months or until the adjournment of the next regular convention, whichever is later. The secretary-treasurer will destroy the ballots and tally sheets after that time unless otherwise ordered by a convention.
- 7.39 **Special elections.** A special election will be conducted using the same procedures as a regular election, provided that if no more than one candidate qualifies as a nominee that candidate will be declared elected by the secretary-treasurer. The election board will set all

dates for the nominating process and the election.

## 8 Executive board

- 8.1 **Composition.** The executive board comprises the council officers.
- 8.2 **Authority.** The executive board is the governing body of the council between conventions and is authorized and empowered to take the actions and make decisions that are necessary to fully carry out the decisions and instructions of the convention and take other actions as may be necessary and appropriate to safeguard and promote the best interests of the council and its affiliates.
- 8.3 **Regular meetings.** Regular meetings of the executive board will be held in February, May, July, and November. The regular meeting in July will be held in conjunction with the regular convention. The executive board may change the date of any regular meeting by majority vote.
- 8.4 **Special meetings.** Special meetings of the executive board may be called by the president. The president must call a special meeting upon the written request of a majority of the members of the executive board. The request must state the purposes for the special meeting.
- 8.5 **Electronic meetings.** In an emergency, the executive board may conduct its meetings by audio or video teleconference.
- 8.6 **Notice for board meetings.** The notice for each regular or special meeting of the executive board must be sent at least five days before the meeting. The notice for a special meeting must state the purposes for the meeting.
- 8.7 **Quorum.** A majority of the members of the executive board constitutes a quorum.
- 8.8 **Authority over section funds.** The executive board has final authority to act on requests for organization and defense purposes from the appropriate section funds.
- 8.9 **Compensation for officers.** The executive board will establish the salaries and benefits of the president and secretary-treasurer. The executive board will report to each regular convention, and this report will be read aloud during the convention and must include the current salaries of the president and secretary-treasurer and any changes in these salaries since the previous regular convention.
- 8.10 **Council-owned corporations.** The executive board will be the shareholder of any corporation directly owned by the council. The executive board will elect five vice presidents who will serve as directors of a corporation owned directly by the council. The executive board may remove any of the five directors by a majority vote. The shareholder may review and approve the action of the board of directors of any corporation that is owned directly or indirectly by the council.
- 8.11 **Relations with affiliates.** In cooperation with the president and

secretary-treasurer, the executive board will:

- a) represent the council to affiliates within their respective districts;
- b) solicit and urge affiliation on the part of those eligible organizations that are not affiliated; and
- c) make every reasonable effort to secure continued affiliation on the part of delinquent affiliates.

## 9 Subordinate sections and financial aid

- 9.1 **Sections.** There are five sections. The sections are subordinate to this council and are established for purposes of organization and defense. The sections are:
- a) Building Trades,
  - b) Food and Beverage Trades,
  - c) Miscellaneous Trades,
  - d) Maritime and Transportation Trades, and
  - e) Industrial Unions.
- 9.2 **Bylaws and activities.** Any bylaws adopted by a section must conform to this constitution. Each section will operate in conformity with this constitution.
- 9.3 **Membership.** Each affiliated local union may be a member of one or more sections. A local union that has members in more than one section must designate to the secretary-treasurer the percentage allocation of its membership to each section. This designation must be in writing.
- 9.4 **Meetings.** Each section will hold a meeting before the third day of each regular convention. The voting body at a section meeting consists of the convention delegates who represent the local unions that are members of the section.
- 9.5 **Trustees and officers.** Each section has three trustees and such other officers as the section determines are necessary. The trustees and officers will be elected at the meeting during the regular convention to serve for a term of one year or until their successors are elected. As much as possible, two trustees in each section must be from west of the Cascade Range and one trustee from east of the Cascade Range. In each section, all trustees must be members of different local unions.
- 9.6 **Vacancies in office.** In the event of a vacancy in any section office, the vacancy may be filled by the remaining officers.
- 9.7 **Financial reports.** The secretary-treasurer will submit a quarterly financial report to the trustees of each section.
- 9.8 **Request for financial aid.** An affiliate may request financial aid from the organization and defense fund. The request must be made through the executive officer or officers of the section from which funds are requested and must comply with **9.9**. If the request is

proper, the executive officer or officers will submit the request to their respective section trustees for consideration. If the request is approved by the trustees, it will be sent to the secretary-treasurer of the council, who will submit the request to the executive board for final consideration.

- 9.9 **Form of request.** A request for an organizing and defense grant must be made in advance of an organizing drive or commitment of funds, if possible. The request must:
- a) be in writing,
  - b) state the specific amount requested,
  - c) state how the funds will be used,
  - d) list the amount and sources of other funds,

- 9.10 **Grant payments.** The executive board may issue a grant in a series of payments.
- 9.11 **Use of grant.** An organizing and defense grant must be used only for the purposes approved by the executive board.
- 9.12 **Reports on use of grant.** If a grant is approved by the section trustees and the executive board, the affiliate receiving the grant must give a monthly report to the executive board and the officers of the section. The report must include an itemized statement of expenditures. If the affiliate fails to file a monthly report, financial aid will be discontinued until the report is filed. The affiliate must give a complete report to the executive board and the officers of the section when the entire grant has been spent.

## 10 Charges and hearings

- 10.1 **Charges.** An affiliated local union has the right to file charges when its membership votes to do so. A charge may be filed against:
- a) an officer of the council for violating the constitution or rules of the AFL-CIO or the council, conduct unbecoming an officer, misappropriation of funds, malfeasance in office, or neglect of duty; or
  - b) an affiliate for engaging in conduct or a course of action that is hostile or contrary to the best interests of the council or contrary to this constitution.
- 10.2 **Filing charges.** A charge must:
- a) be in writing,
  - b) specify the particular act or acts charged,
  - c) be signed by at least two officers of the charging local union,

and

d) be filed with the president or secretary-treasurer.

If both the president and secretary-treasurer are charged, the charge may be filed with any officer of the council.

- 10.3 **Determination of hearing.** The executive board will have a special meeting no later than 30 days after an officer receives a properly filed charge. At the special meeting, the executive board will determine by a majority vote whether the charge merits a hearing; an officer named in the charge may not vote on this question.
- 10.4 **Hearing.** If a hearing is to be held, notice of the hearing and a copy of the charge must be sent to the accused at least 20 days prior to the hearing. The hearing will be conducted during a special meeting of the executive board. At the hearing, both the accused and the charging party will have full opportunity to be heard and to present evidence. After the hearing, a two-thirds vote is required to find the accused guilty of the charges. If found guilty, the executive board may take any appropriate disciplinary action, including the suspension or removal of any officer or the suspension or expulsion of any affiliate.
- 10.5 **Appeals.** The decision of the executive board in **10.3** or **10.4** is final and binding unless appealed to the AFL-CIO as provided in the AFL-CIO Rules Governing State Central Bodies. The decision of the executive board will remain in effect during the appeal unless otherwise ordered by the AFL-CIO.

## II Per capita taxes and fees

- 11.1 **Revenue.** The revenue of the council comes from per capita tax paid by local unions and an affiliation fee from other affiliates.
- 11.2 **Per capita tax.** A per capita tax of \$1 per member per month will be paid by each affiliated local union on the membership within the jurisdiction of the council. Per capita tax is payable monthly and is due on the first day each month.
- 11.3 **Affiliation fee.** An affiliate other than a local union will pay an affiliation fee of \$50 annually, payable in advance.
- 11.4 **Membership calculation; hardship.** An affiliated local union must pay per capita tax on its full membership as paid to its international or national union. Where a local union can show that payment of full per capita tax will result in unnecessary hardship, it can petition the executive board for exoneration from per capita tax. The local union will send the petition to the secretary-treasurer, who may require evidence of the local union's inability to pay. The executive board may grant relief in an amount sufficient to keep the local union functioning in a proper manner.
- 11.5 **Nonpayment and suspension.** The secretary-treasurer will notify an affiliate that has not paid its full per capita tax or affiliation fee by the 25th day of the following month. If payment has not been made 90 days after notification, the delinquent affiliate will be suspended

from membership unless the executive board has granted exoneration from full per capita tax.

- 11.6 **Reinstatement.** An affiliate that is suspended for nonpayment of full per capita tax or the affiliation fee may be reinstated under conditions determined by the executive board. A union that has been suspended for nonpayment of per capita tax shall pay only the amounts in arrears due at the time of the suspension, but cannot retroactively pay for additional months to increase voting strength.
- 11.7 **Revenue credited to general fund.** All revenue from per capita tax and affiliation fees will be credited to the general fund except revenue credited to the organization and defense fund as described in **11.8** and the label promotion and education fund as described in **11.9**.
- 11.8 **Revenue credited to organization and defense fund.** The council will maintain an organization and defense fund for the purposes of organizing and defense and for the operating expenses of the sections. If the balance in the organization and defense fund is less than \$100,000, 3% of the revenue from per capita tax will be credited to the fund until the balance reaches \$100,000. The organization and defense fund will be allocated to each section according to the ratio of the membership of each section's affiliates to the total membership of all local unions affiliated with the council. If a section depletes the amount allocated to it, the executive board may replenish the section's allocation. Twenty-five percent of the funds allocated to the various sections will be set aside to defray the costs of operating the sections. The organization and defense fund may be distributed only in compliance with **9.8** or to pay for a section's operating costs. An annual report of the disbursements for a section's operating costs will be submitted to the secretary-treasurer within 60 days after the end of each fiscal year for inclusion in the secretary-treasurer's report to the convention.
- 11.9 **Revenue credited to label promotion and education fund.** Two percent of the revenue from per capita tax paid by local unions and affiliation fees will be credited to the label promotion and education fund. One half of the receipts of this fund will be credited or remitted to the statewide organization charged with conducting or coordinating statewide activities in support of the union label, shop card, and union services. The remainder of the receipts of this fund will be used in union educational programs and to fund scholarships, fellowships, and internships.
- 11.10 **Revenue from other sources.** The secretary-treasurer will account for all funds received by the council from sources other than per capita tax and affiliation fees as directed by the executive board or as required by law.

## 12 Financial practices and audits

- 12.1 **Fiscal year.** The fiscal year is January 1 through December 31.

- 12.3 **Audit.** The executive board will appoint an independent certified public accountant to audit the books of the council at least annually, in accordance with AFL-CIO agreed upon procedures, and perform other duties assigned by the executive board. The independent certified public accountant will report to the executive board. An audit of the books is required whenever there is a change or vacancy in the office of president or secretary-treasurer.
- 12.4 **Reimbursement.** An officer, member of the election board, or member of staff will be reimbursed for necessary and legitimate expenses, including loss of wages incurred in the performance of authorized activities for the council. Someone other than an officer or staff may be reimbursed for expenses in accordance with guidelines established by the executive board. Reimbursement for travel when transportation is not furnished by the council will be at the rate established for business automobile use by the Internal Revenue Service or actual transportation costs when commercial carriers are used.
- 12.5 **Fidelity bond.** The president and secretary-treasurer will be covered by a fidelity bond in an amount to be determined by the executive board and as required by the AFL-CIO Rules Governing State Central Bodies. The premium of the bond will be paid by the council.

- 12.7 **Budget.** The president will propose an annual budget to the executive board, listing anticipated receipts and expenditures. The executive board will adopt a budget prior to the beginning of the fiscal year. Major deviations from the budget will be reviewed with the executive board by the secretary-treasurer.
- 12.8 **Financial obligations.** No financial obligation will be incurred on behalf of the council without the consent of the executive board.
- 12.9 **Leaving office.** When leaving office, each officer will deliver to the successor all money, credit or debit cards, securities, papers, electronic devices, and passwords of the council which are under the outgoing officer's control.
- 12.10 **Inspection of records.** All books, papers, and financial records of the council will at all times be open for inspection by the executive board and duly authorized representatives of any affiliate.

## 13 Committees

- 13.1 **Committee on political education.** The committee on political education will have the structure and duties as specified in **14.2** and in the committee's bylaws.
- 13.2 **Constitution and bylaws committee.** The constitution and bylaws committee. The committee is composed of 6 to 12 members who are appointed promptly after the beginning of each term of office and who represent diversity in geography, industry sectors, gender, race, and ethnicity. The constitution and bylaws committee will
- a) solicit amendments to the constitution or bylaws from affiliates,
  - b) review all amendments to the constitution or bylaws,
  - c) submit proposed amendments to the secretary-treasurer no later than 30 days prior to the constitutional convention, and
  - d) present all timely proposed amendments to the constitutional convention with any recommendation.
- The committee must meet 31 to 45 days prior to the opening of the constitutional convention and may also meet at other times.
- 13.3 **Convention committees.** The convention committees are described in **4.27**.
- 13.4 **Additional committees.** Additional standing or special committees may be created by the convention, the executive board, or the president.

- 13.6 **President's ex-officio committee membership.** The president is a member of all committees.
- 13.7 **Reports and rules.** Each committee will report to the executive board. A standing committee whose duration is more than two years will also report to each regular convention. The executive board will adopt rules governing all committees except the convention committees, the constitution and bylaws committee, and the committee on political education, which is governed by its bylaws.
- 13.8 **Electronic meetings.** A committee may hold its meetings by audio or video teleconference, subject to any rules adopted by the executive board.
- 13.9 **Ethical Practices Committee.** The Ethical Practices Committee shall be a standing committee and shall be responsible for enforcing the substance of the Ethical Practices Code for AFL-CIO Officers and Representatives. This committee shall only be appointed when there is a charge of an ethical practice code violation filed with the state labor council.

## 14 Legislative and political action

- 14.2 **Political activities.** The political activities of the council are directed by the committee on political education and will conform to the policies of the AFL-CIO and the national committee on political education.
- 14.3 **Endorsements.** The council may make endorsements for or against candidates for political office, initiatives, or referenda in accordance with the bylaws for the committee on political education.

## 15 Boycotts and unfair lists

- 15.1 **Authority.** The council has the authority to establish a statewide boycott or to place a statewide or regional employer on an “Unfair” or “Do Not Patronize” list only upon written request of an aggrieved affiliate or in response to an action of the AFL-CIO.
- 15.2 **Form of request.** Before any boycott action by an affiliate is endorsed by the council, a written statement must be submitted by the aggrieved affiliate:
- a) stating the efforts that have been made to effect a settlement of the issues in dispute,
  - b) requesting that the offending employer be placed on the “Unfair” or “Do Not Patronize” list, and
  - c) describing the actions that will be taken to make the boycott effective.
- 15.3 **Referral to board or committee.** A request to place an employer on the “Unfair” or “Do Not Patronize” list will be referred to the executive board. Referral may be to a special committee of the executive board appointed by the president for the purpose of carrying out the duties described in **15.4** through **15.6** with the power to act.
- 15.4 **Other affected unions.** If the requested action is directed against an employer that has a contract or working agreement with any union or unions affiliated with the AFL-CIO other than the aggrieved union, the written consent of the other affected unions is required. If this consent is not given, the council must take no further action except as authorized by the AFL-CIO.
- 15.5 **Attempt at settlement.** An employer identified by a request for placement on the “Unfair” or “Do Not Patronize” list will be invited to meet with the executive board or the special committee described in **15.3** with the objective of securing an amicable settlement of the dispute in the spirit of conciliation. The affiliate that initiated the request will also have representation in attendance. Other affiliates

that might be directly affected by any action taken on the request must be notified of the meeting and may have representation in attendance.

- 15.6 **Action.** After investigation and conciliation efforts, if the executive board or the special committee is unable to effect a settlement, any action taken in support of the original request must be in accordance with the AFL-CIO Rules Governing State Central Bodies.
- 15.7 **Time period and removal.** An employer placed on the “Unfair” or “Do Not Patronize” list will remain there for one year unless removed sooner by the executive board. The aggrieved affiliate will be notified near the end of the year-long period. Before the executive board extends the “Unfair” or “Do Not Patronize” listing for each subsequent year, the aggrieved affiliate must show what actions were taken to make the boycott effective and how the boycott will be continued.

## 16 Rules and parliamentary authority

- 16.1 **Conflicts.** In case of conflict between (1) the provisions of this constitution or other laws or actions of the council and (2) the constitution of the AFL-CIO or the AFL-CIO Rules Governing State Central Bodies, the constitution or rules of the AFL-CIO prevail. If there is a conflict, the executive board will ensure conformance with the AFL-CIO constitution and rules by:
- a) proposing amendments to this constitution,
  - b) proposing amendments to a resolution or motion that was adopted by a convention, or
  - c) modifying the laws or actions of the council that were not adopted by a convention.

8. Files and lists of membership made available to the Political Committee by the properly constituted authorities shall not be inspected nor given to anyone except by order of the officers of the Political Committee, with authorization in writing from the state or area chairperson.

### **VIII. Endorsements**

The Washington State COPE is committed to the support of honest, sincere, qualified, progressive candidates for public office, who by their records have demonstrated their support of the objectives to which the AFL-CIO is dedicated. In the making of endorsements, the capability, intelligence, unqualified integrity, viability and the past record of the individual shall be used as criteria for endorsement.

Any AFL-CIO member has the same right as any other American citizen to run for public office. However, any AFL-CIO member running for public office who desires COPE endorsement shall meet with the proper committee of COPE and discuss the advisability of running, and any other matters connected with the campaign. Membership in an AFL-CIO union does not, in and by itself, assure any candidate of an endorsement.

No county, city, congressional district or state COPE officer or Executive Board member shall act in any official capacity whatsoever, on behalf of any political candidate, unless instructed to do so by the appropriate COPE. Any COPE officer becoming a candidate for a paid partisan political office should automatically be considered to have resigned COPE office.

Endorsements, if any, shall be made pursuant to the following rules:

1. The Washington State COPE shall support the action of the national COPE on candidates for President and vice-President of the United States.
2. Endorsements of candidates for state legislative office shall be made by regular or special statewide conference or convention to which all affiliated organizations are entitled to send delegates on the same basis as the regular state convention following consideration of recommendations from the appropriate area COPE and all information available from Statewide COPE.

3. Endorsement of candidates for U.S. Senate, U.S. House of Representatives and statewide offices shall be made by the above-mentioned regular or special state convention or conferences. Statewide COPE or the WSLC executive board shall submit its recommendations for endorsement of candidates for these offices to such a convention or conference. Such recommendations will take into consideration all information available from national COPE and, in the case of candidates for congressional office, the recommendations of the appropriate city, county and congressional district COPEs.

4. On those occasions when information about candidates for a political office cannot be measured by the criteria of capability, intelligence, integrity, and a past record in the support of the objectives of the AFL-CIO, a motion for "Neutrality" may be offered and, if passed by a majority vote, shall be construed to mean affiliated organizations may support the candidates of their choice for that office in any manner they deem appropriate but that the Washington State Labor Council and its officers and members of Statewide COPE shall remain neutral. In the even a candidate for a particular office is found to be severely lacking when measured against the foregoing criteria, a motion to "Oppose" may be offered, and, if passed, shall be construed to give direction to the activities of the Washington State Labor Council and in addition to admonish affiliated organizations to refrain from supporting such candidates. If support is nevertheless, given by an affiliate to such a candidate, it may result in a public disclaimer by the Washington State Labor Council on behalf of organized labor. All final actions to support or oppose candidates or ballot issues, whether by regular or special convention or by the state

COPE when acting for the Washington State Labor Council, shall require a two-thirds majority of the votes cast. In the absence of a two-thirds majority, either to support or oppose, the Washington State Labor Council and its officers shall be neutral.

5. No local area COPE or county central body shall make any endorsements for state legislative positions, congressional races or other statewide races prior to, or contrary to, the state COPE endorsement. Their recommendations shall be made in a closed meeting and submitted to the state COPE convention without prior publicity.

6. No COPE officer or committee member shall act in any official capacity whatsoever on behalf of any political candidates who have been refused COPE endorsement or who are candidates in opposition to COPE endorsed candidates.

7. The above procedures shall govern endorsements for both primary and general election. However, an endorsement of a candidate or an issue shall not be reversed or withdrawn by any convention except by a two-thirds vote of delegates present or a two-thirds majority in case of a roll call vote. In case no endorsement of an issue or a candidate was made before the primary, or, in case the candidate endorsed before the primary was not nominated, it shall require a two-thirds vote by delegate or roll call to make an endorsement of an issue or a candidate in the special COPE convention after the primary.

8. Endorsements of candidates, made pursuant to the above procedures, are for that particular election and shall not constitute any endorsement of that individual for succeeding elections. The executive board of the Washington State Labor Council, AFL-CIO, shall have authority, by a two-thirds vote of the members present, to withdraw any endorsement previously made, if, after being elected, the candidate's conduct and voting record does not merit continued support. Such withdrawal shall be communicated to the public officeholder in writing by the chairperson.

9. Endorsement of candidates for municipal or county offices may be made by the respective city and county Central/Area Labor Councils.

10. A screening subcommittee may be appointed to check on voting records or other records, to interview candidates and to make recommendations to each COPE concerning candidate endorsements.

## **IX. Finances**

1. Each AFL-CIO member shall be asked to contribute voluntarily to the national COPE drive. Any monies allocated by national COPE to the state COPEs shall be used only in campaigns of candidates for the United States President, vice-President, senate and house of representatives, but the apportionment among the several federal campaigns may be made at the discretion of the state COPE. Monies from this source will be kept in an account separate from treasury donations.

2. The COPE and its subdivisions are authorized to raise additional finances for their work by any legal means, as long as such activity does not interfere with the national COPE drive for individual contributions.

3. A finance committee consisting of the Secretary Treasurer and at least two additional members appointed from the state COPE by its chairperson may audit and make recommendations on the financial operations of the county, city and congressional district COPEs, within the state, whenever authorized by Statewide COPE.
